This well appointed, well constructed and well located residence has an entrance hallway leading to a wonderful living room with an excellent outlook over the beautiful cottage gardens to the front of the residence. Adjacent to the living area is the separate dining area of quite generous proportions that opens out to the lovely outdoor living area. The centrally located kitchen has ample bench space, cupboards and storage areas. The opposite end of the residence has three good size bedrooms, main with bathroom access and walk-in robe, the second has a built-in robe and the third bedroom is currently used as a
