The well designed lower level features an open plan everyday living & meals area with a designer kitchen. There is also a formal lounge room that could be used as a 4th bedroom if one desired. The outdoor entertaining area is a great space to enjoy with family and friends. The master bedroom is conveniently located on the lower level and features a designer ensuite bathroom and walk in robe.

To the upper level is bedrooms 2 & 3 and both include built in robes and are adjacent to the stylish main bathroom with separate toilet and separate vanity area. Lovely views to
