Absolutely impressive.

This home is the perfect example of a proper restoration. New wiring, new plumbing, new roof and the list goes on... and on. To keep with the original character of the home, the original features have been completely restored.

Then there's the amazing addition. Constructed in the same 1920's Adelaide Brick Company red shale bricks to match the original home. You will be overwhelmed by the size. It is massive! It features the flexibility to set up in a number of ways and adjacent is a kitchen you can only dream of. Solid granite bench tops, an abundance of well-designed and organised storage space and a breakfast bar large enough to accommodate both sides of the family, cousins and all. Flowing seamlessly out to the
