Stunning family home fully renovated to a very high standard. Huge outdoor living spaces. Huge garage and workshop plus double carport.

Inspection is highly recommended! This is a home that the moment you walk through, you will appreciate that the renovation has been completed for the owner and to a very high quality. All the parts you don't see such as wiring and plumbing have all been re-done.

Tradies, car lovers or buyers requiring a studio will love the huge garage. There is a double carport in front of the garage as well as an extra garage to the side of the home.
