Well located on a pretty tree lined Avenue only one street away from Magill.

Only a short walk to the local playground at Daly oval and the bus stop to the city is at the end of the street.

You will love the well thought out architectural designs and the attention to detail that has been taken with the internal finishes.

Absolute top quality throughout!

Each of the homes offer free flowing floor plans with the light filled rooms and generous outdoor undercover entertaining areas.

All homes feature 3 bedrooms & 2 bathrooms.
