

5 John Ridley Place RIDLEYTON SA

3 1 2

What a brilliant opportunity it would be to live in a newer aged subdivision surrounded by other quality homes in a home that will suit many buyers as it just has that instant appeal with a very large open plan living and dining adjacent to a well designed and functional kitchen.

The lower level living area opens out to a very large alfresco entertaining deck area. This area is spectacular and surrounded by attractive gardens.

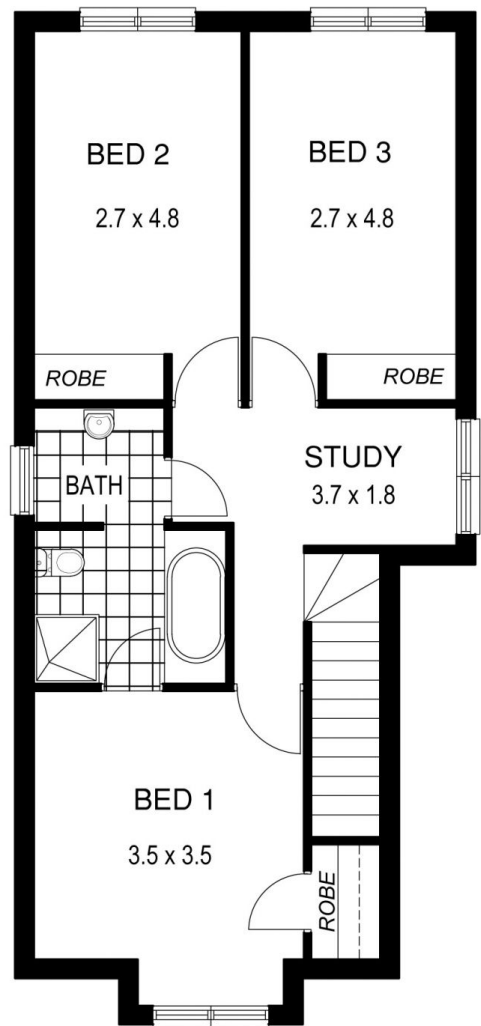

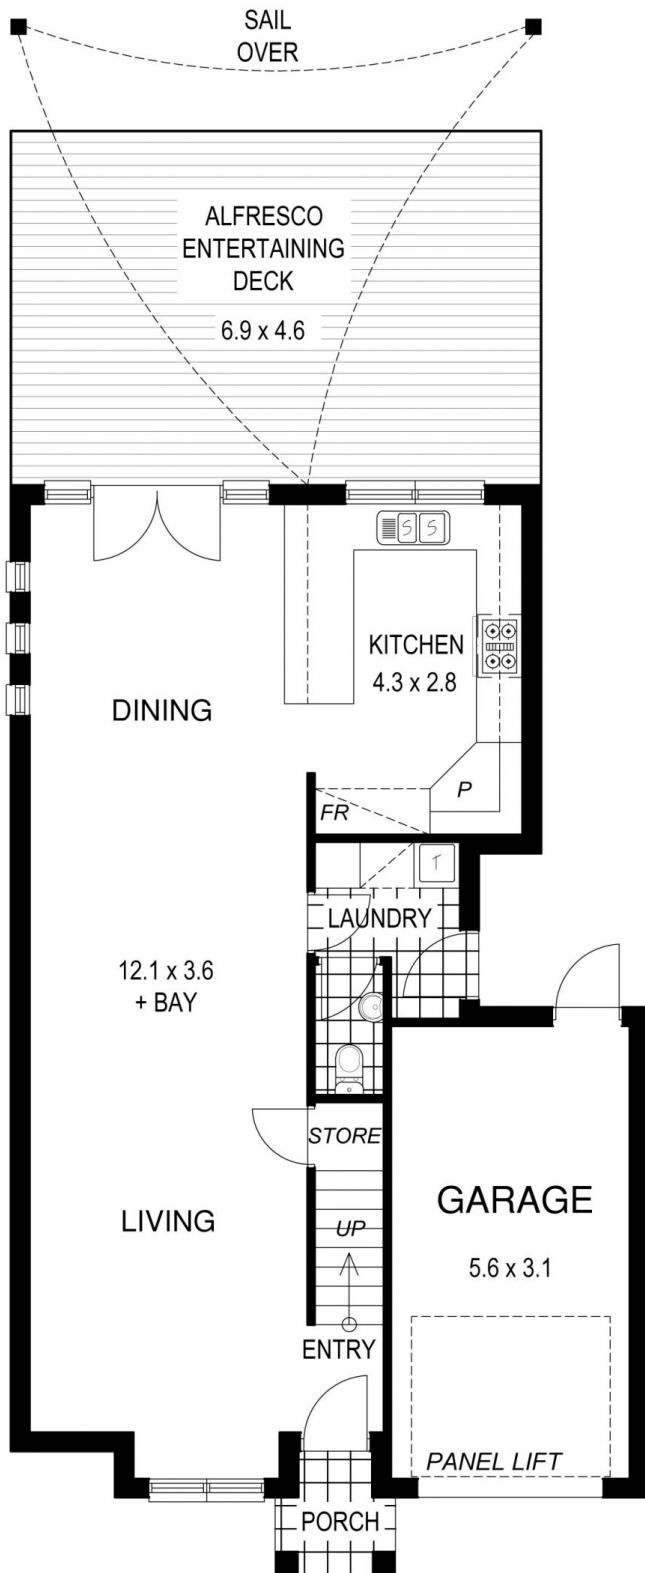

The lower level also includes a second W/C, large laundry facility and access to the generous single garage.

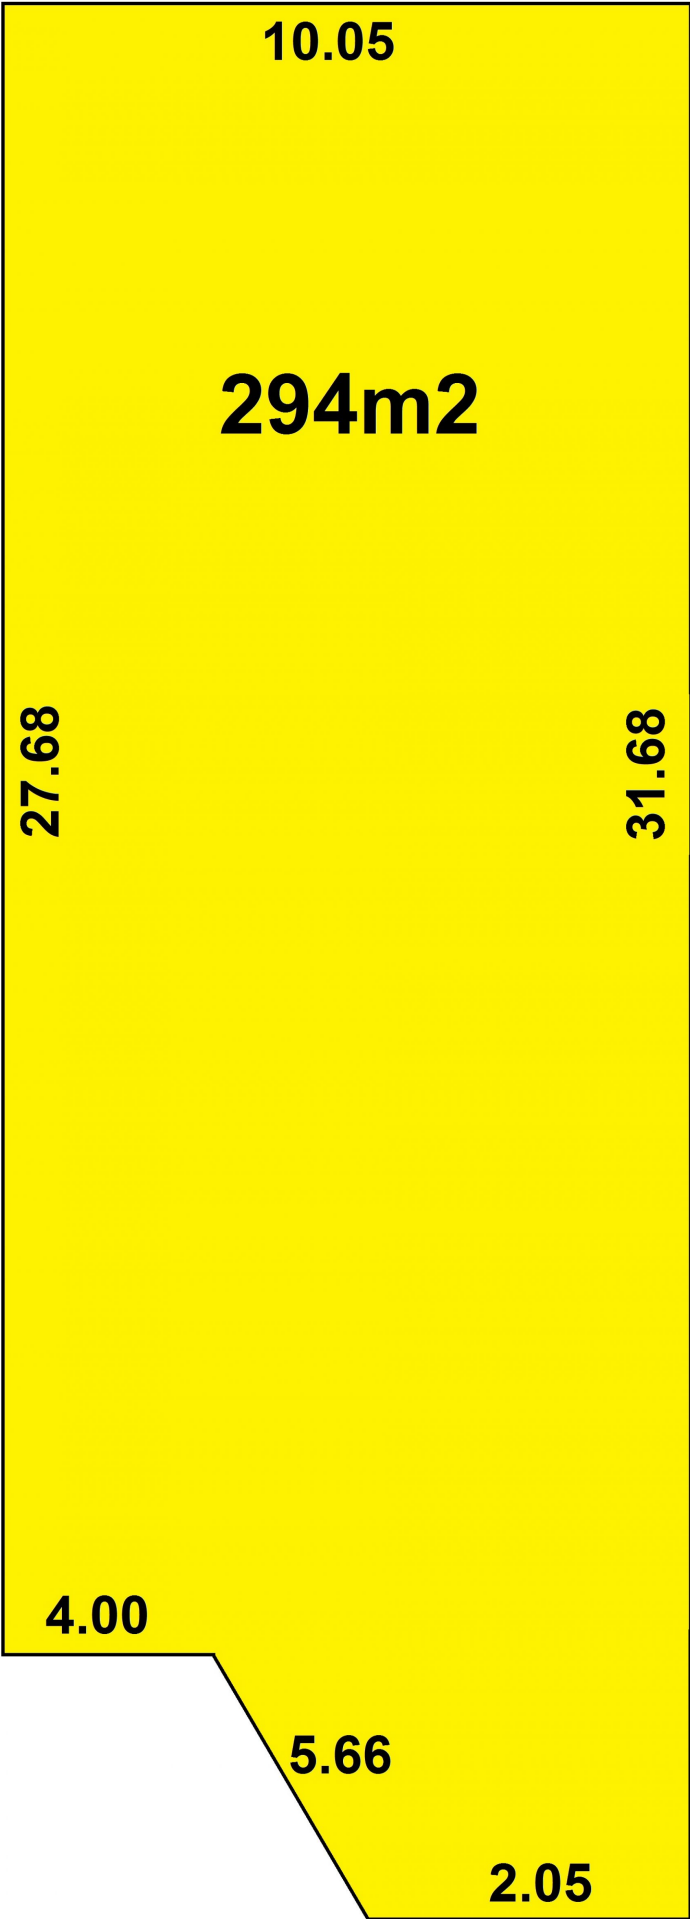

The home on the upper level includes a master suite with access to bathroom facilities and walk in robe. The upper level also includes two good sized bedrooms both with built in robes and there is a separate study room.
