

14B Hilltop Avenue FELIXSTOW SA

4 3 4

Inspection of this master built home is highly recommended. This home has the lot! Even a separate fully self-contained homette overlooking the swimming pool.

Homes of this calibre don't come along often!

The location is fantastic. Set on a lovely tree lined street with Linear Park and the soon to be complete Felixstow Reserve recreational area & playground. Also the positive of being zoned in the highly rated school of East Marden Primary. Shopping centre at the end of the street and only 4.7kms to the city. Compared to buying in the adjacent areas of St Peters and Royston Park, this large family residence truly offers excellent value for money.

- Stunning fully undercover tiled swimming pool.
- Luxurious main bedroom suite on the ground level.

Land Size : 671 sqm
