3 2 4

Set on a tree lined corner allotment this grand residence has amazing street appeal. It truly has a quality old world feel set in a refreshing garden oasis. Impressive.

They don't build homes like this anymore! The attention to detail of the ornate features, solid construction and beautiful solid wood work needs to be seen to be appreciated. The moment you walk inside your eyes are captured by the charm of the finer details such as the solid Jarrah timber floors, beautiful lofty pressed ceilings and ornate fireplaces. Truly amazing.

The recent house extension of a huge separate rumpus/studio room will attract family buyers. The children will love playing in the extensive rear yard complete with playground equipment and tree house. Enjoy outdoor entertaining on the large verandah with family and friends
