Quality built by Forme Projects, this double storey town home offers an attractive modern design with a flexible free flowing floor plan. Well suited for entertaining and everyday living.

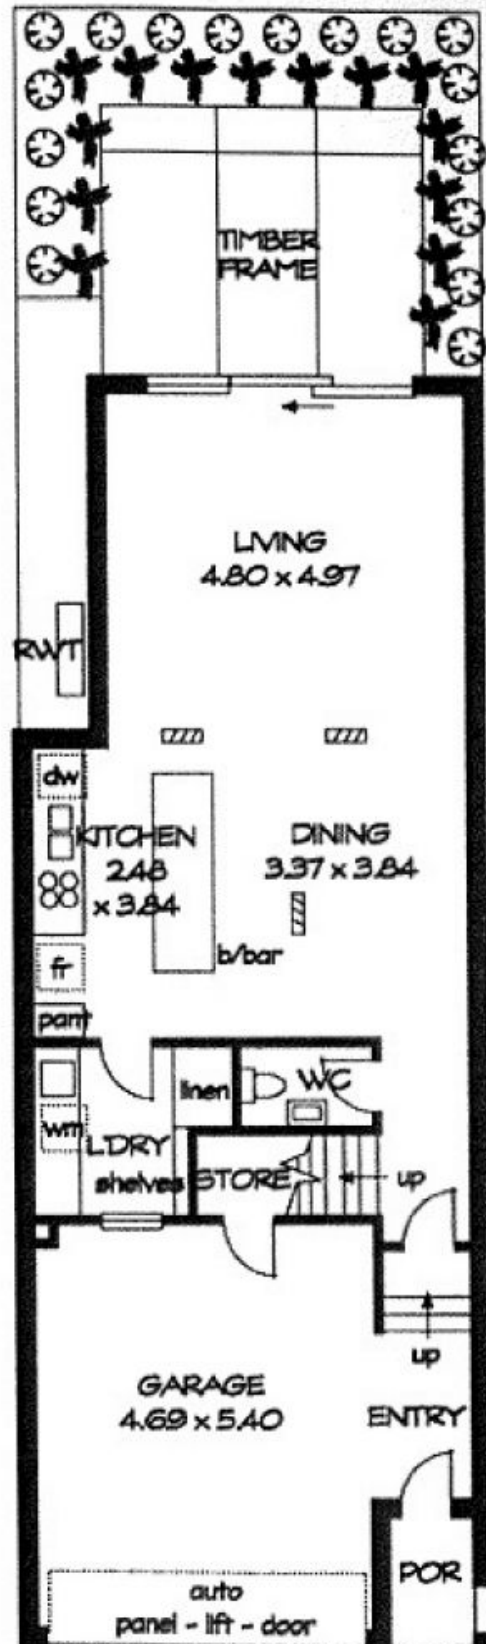

The lower level features a double garage with a handy storage room. The open plan hub of the home oozes space and style. Boasting a well equipped kitchen with quality appliances, stone bench tops, plenty of storage and a handy breakfast bar. Adjacent is the generous dining area, which flows onto the spacious living area. Perfect for entertaining, with a natural flow out to the private outdoor alfresco area surrounded by an established contemporary
