These Torrens Title homes tick all the boxes. Very spacious living areas and bedrooms. The total house sizes are between 196.5m2 and 206m2. They are very large and ultra luxurious.

What an amazing location. The homes are positioned to overlook a lovely park setting and are only a short 2 minute walk to Firlie Shopping Centre and public transport.

Zoned for the highly sought after Magill Primary School and Norwood Morialta High School.

The homes are to be built to a very high specification with the latest on trend designed interiors. Super stylish!
