Refreshing decor with a light and bright feel.

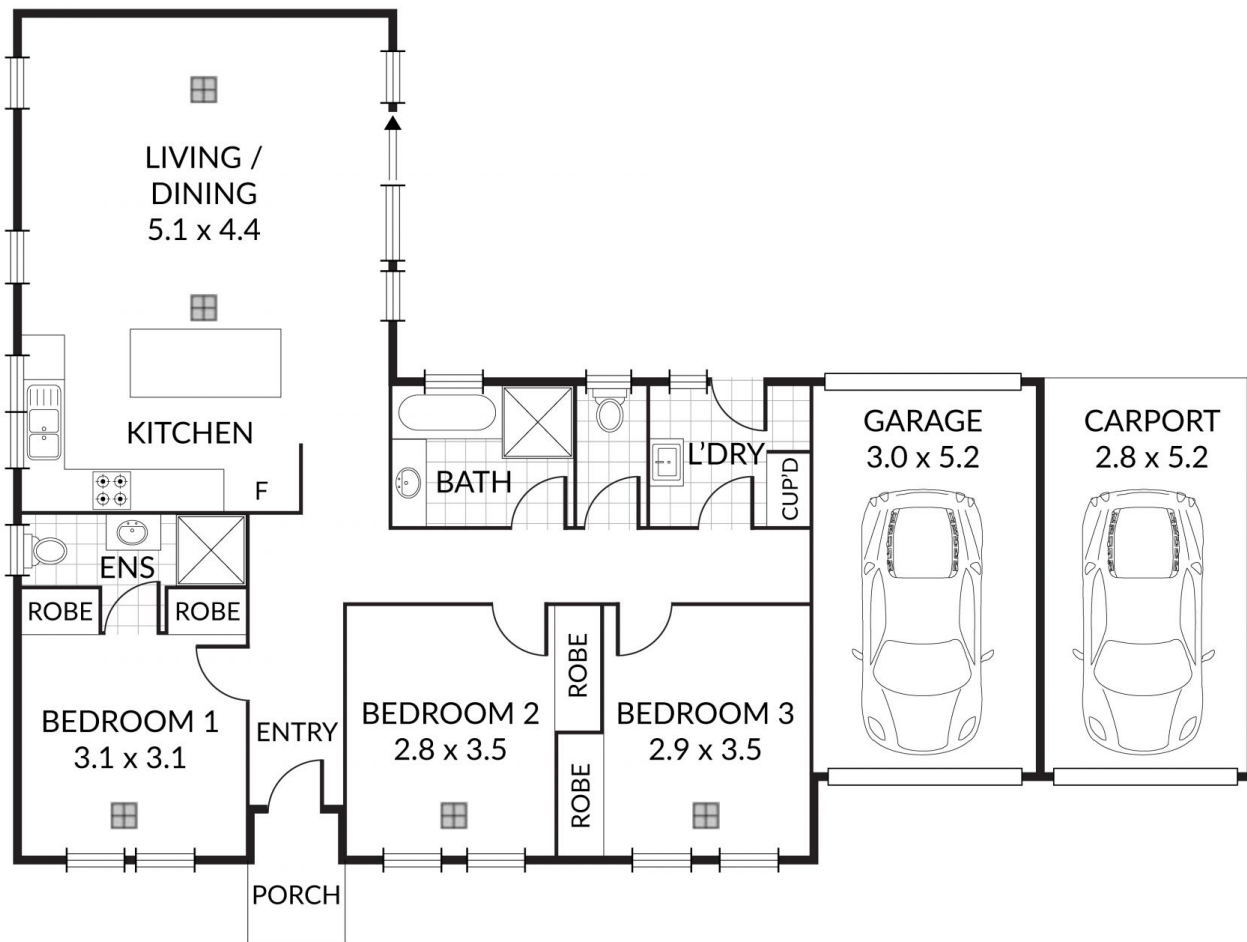

As the home is wide, rather than the usual long and thin homes, it is complimented with lots of windows. This is a unique feature that is sure to impress.

Double secure side by side undercover car parking via a lock up garage and lock up carport both with automatic garage doors. Also extra parking at front of the home due to being located at the end of the group. Secure electric gates are located to the entrance for piece of mind.
