3 1 2

Enjoy the wonderful lifestyle of Athelstone.

This beautifully maintained home sits on a wide corner allotment of 630m² and has been cleverly designed to have an attractive outlook from all windows in the home. Natural light saturates all rooms thanks to the large picture windows. It really is refreshing the moment you walk inside.

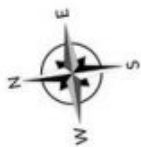

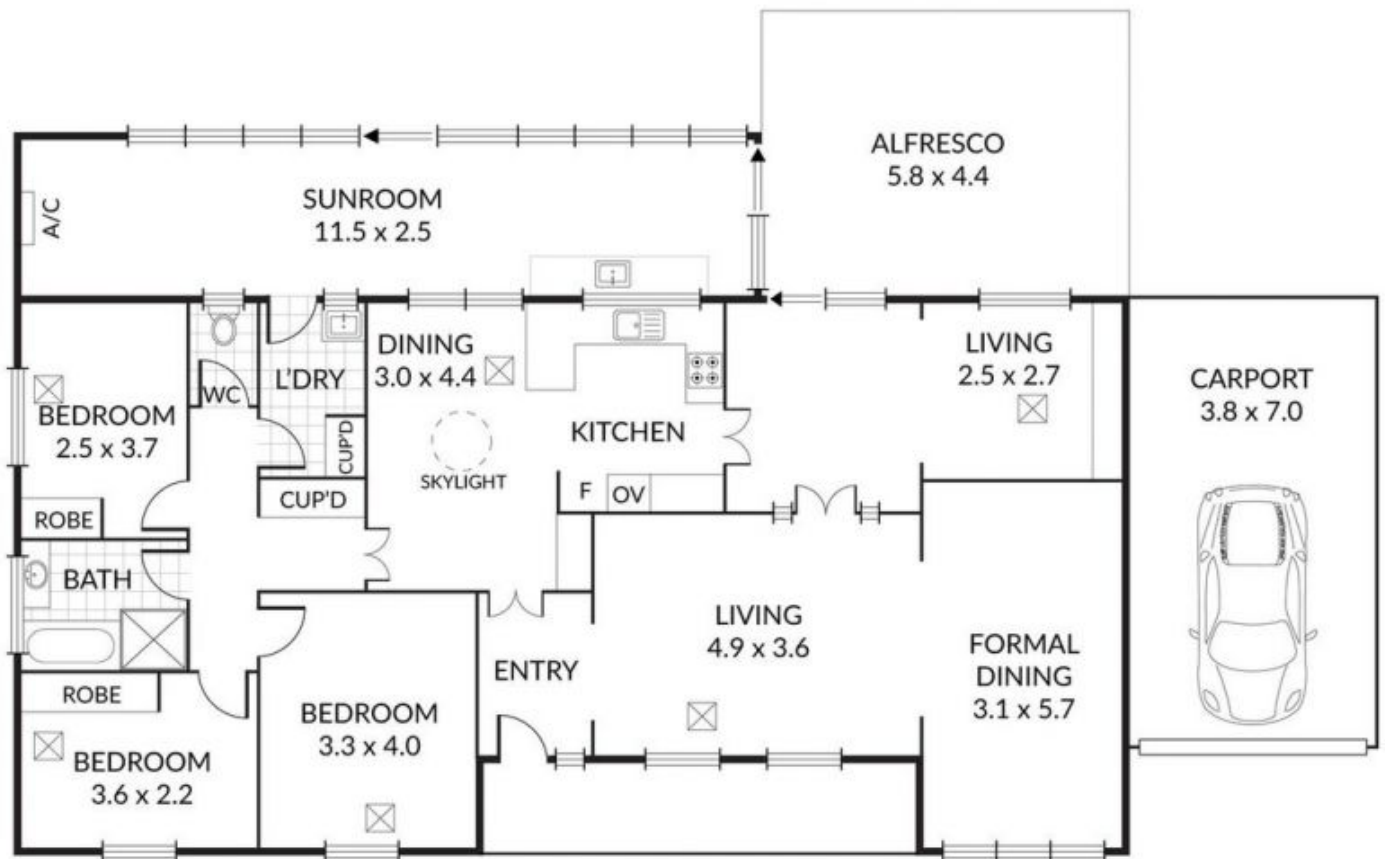

To the front of the home is the large formal living and formal dining rooms. The central kitchen which has been recently renovated separates the casual living and everyday meal areas.

The bonus room is the fantastic sunroom. This space is light & bright and could be used as a great indoor children's play room, studio or just a room to enjoy on a sunny day.
