Superb location to enjoy a happy life with your family. This home has an awesome vibe!

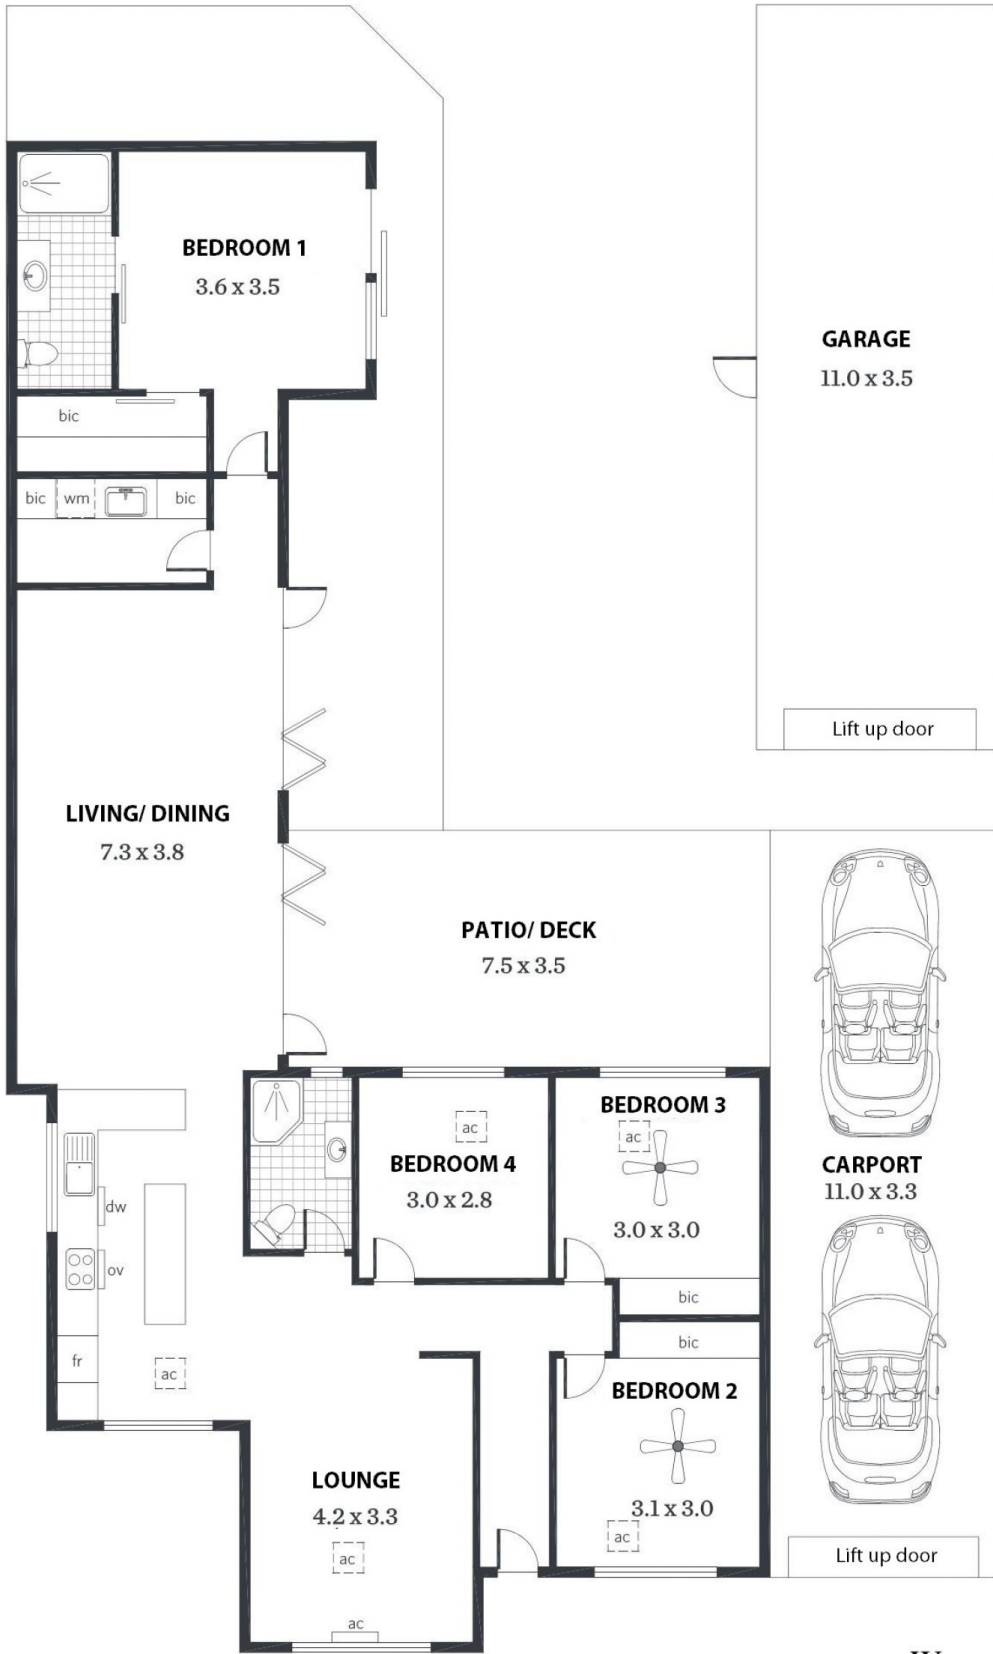

Family homes renovated to this very high standard don't come along often. There is nothing to do but move in and enjoy.

Entertaining is what this home is all about. The central kitchen separates the 2 living rooms. The main everyday living and meals area opens out via expansive bifold glass doors to the relaxing outdoor undercover alfresco entertaining area. Perfect for a barbeque with family and friends whilst overlooking the children swinging under the mulberry tree and playing in the sand pit and cubby house. The free flowing floorplan is well suited to the modern lifestyle.
