The outdoor living area of this home is absolutely stunning. In ground pool, spectacular outdoor living area, spectacular external kitchen area and well-proportioned in every respect and just gives you a wonderful lifestyle that buyers will absolutely love.

The moment you walk in the front door of this home you feel good. The entrance area is large and this is always a feature of any upmarket home.

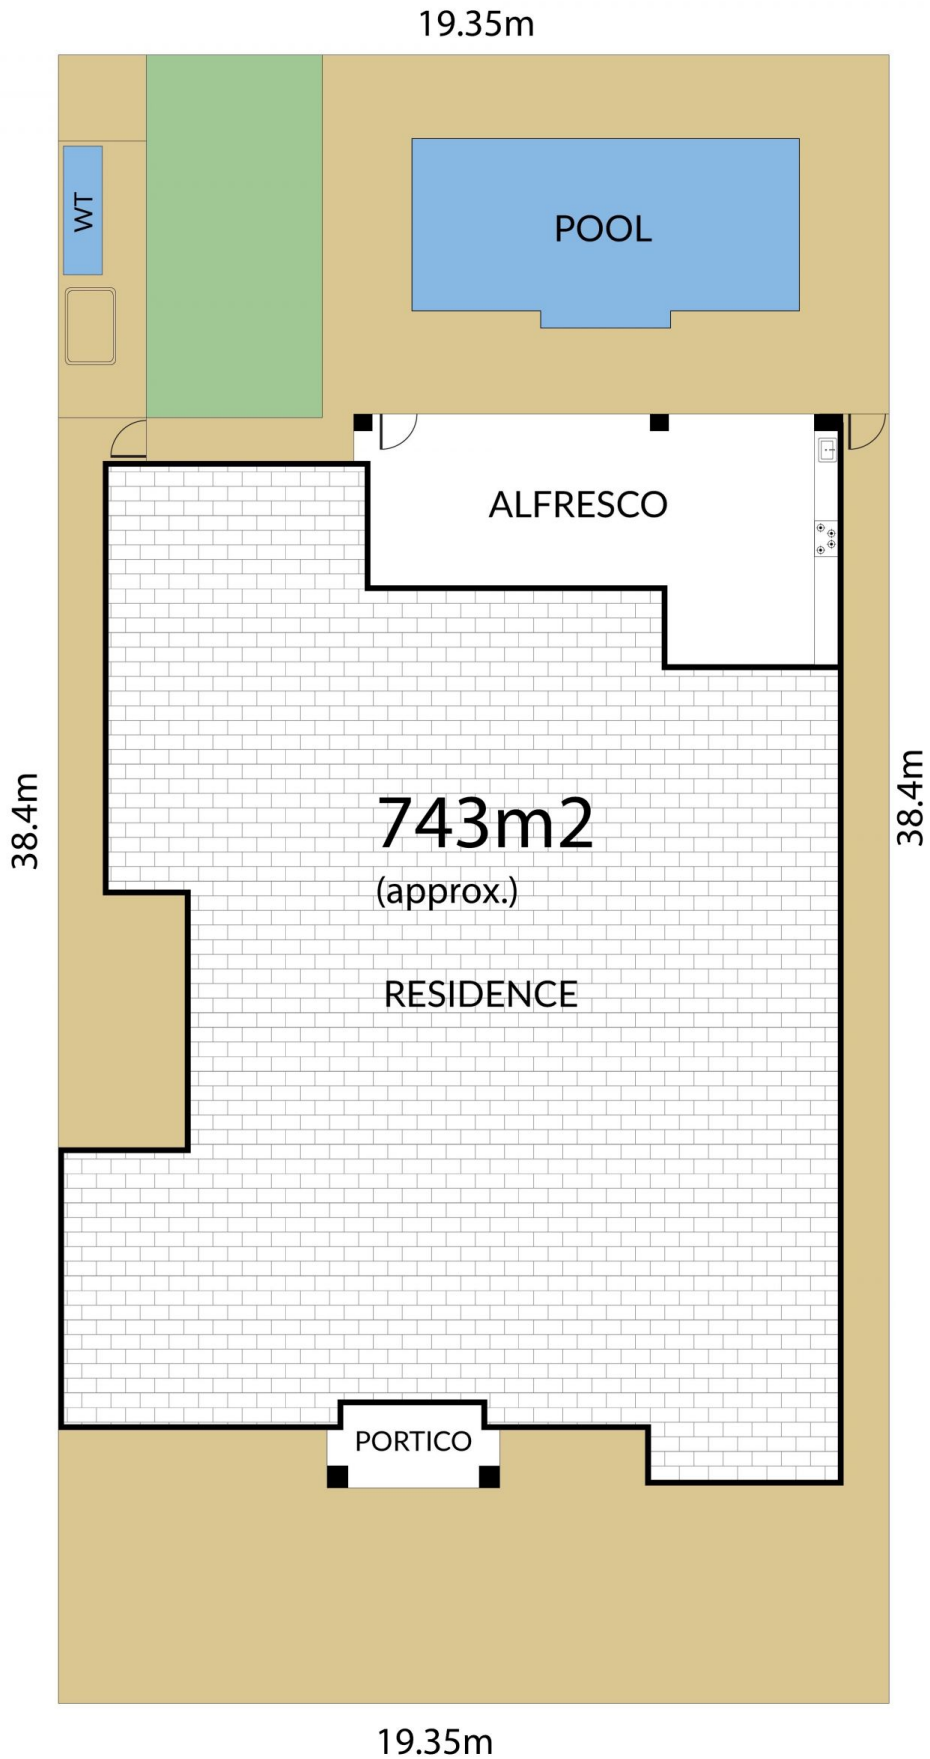

This home also has amazing main bedroom facility, more like a 5 star hotel suite opening out to the outdoor living
