

**9/25 Heggaton Terrace Newton SA**

3  2  2 

ALL 9 HOMES SOLD!

Another WP Property Group development. Raising the bar in lifestyle homes for the year 2020 and onwards.

Check out the floorplans... These homes are very generous in size with multiple living areas to suit busy families who require separate living zones.

All with double side by side garages.

Chef inspired kitchens with the latest look.

The well thought out mix of colours and textures will make these new homes stand out for many years to come. We all love the wow factor and 25 Heggaton has it in abundance.
